INDEPENDENT AUDITOR'S REPORT

To the Board of Directors
Oasis International LTD NFP

Report on the Audit of the Financial Statements

Opinion

We have audited the accompanying financial statements of Oasis International LTD NFP (the Organization) which comprise the statement of financial position as of December 31, 2023, and the related statements of activities, functional expenses, and cash flows for the year then ended, and the related notes to the financial statements.

In our opinion, the financial statements present fairly, in all material respects, the financial position of the Organization as of December 31, 2023 and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Organization and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Organization's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit
 procedures that are appropriate in the circumstances, but not for the purpose of expressing an
 opinion on the effectiveness of the Organization's internal control. Accordingly, no such opinion
 is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Organization's ability to continue as a going concern for a reasonable period of time.

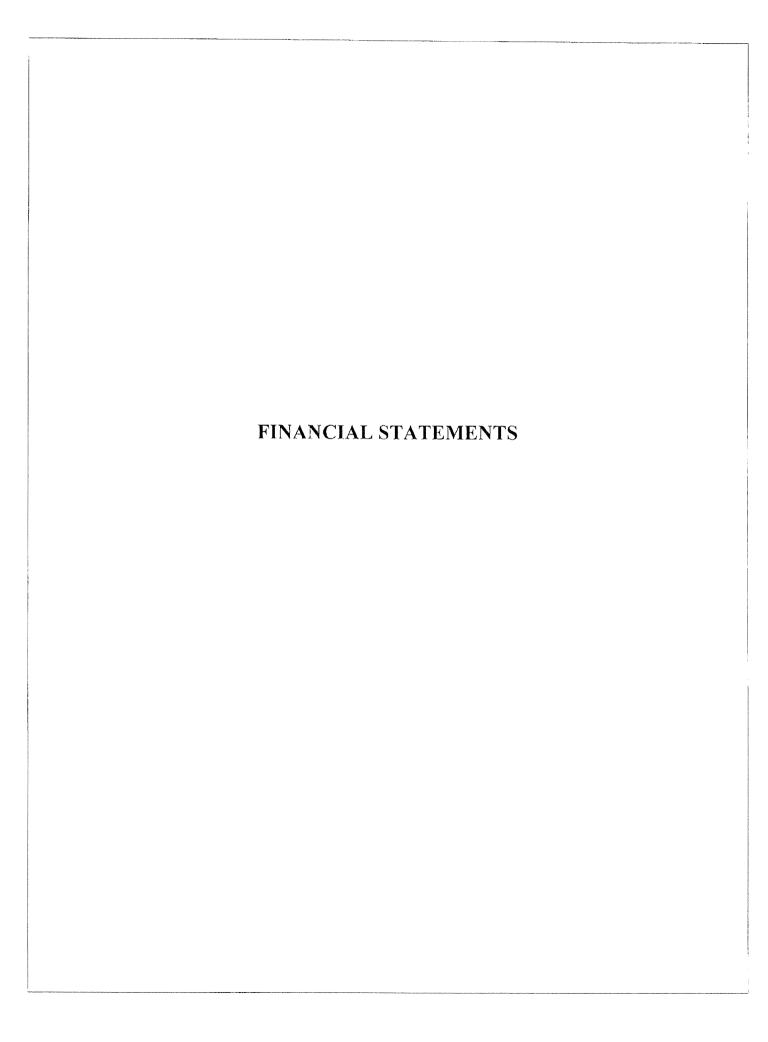

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Report on Summarized Comparative Information

Publishing of Other Bibles and Books – an initiative focused on the development of the pan-African publishing industry, including the creation of the Organization's new original titles written by African authors.

New Living Translation Bibles – an initiative focused on the development of New Living Translation Bibles and towards the publicizing of these translations throughout Africa.

The Digital Hub – an initiative focused on the distribution of the Organization's publications on a digital platform.

BASIS OF ACCOUNTING

The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America (US GAAP).

FINANCIAL STATEMENT PRESENTATION

Financial statement presentation is reported in accordance with the Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) for *Presentation of Financial Statements, Not-For-Profit Entities.* Under those provisions, net assets and revenues, gains, and losses are classified based on the absence or existence and nature of donor-imposed restrictions as follows:

(See Auditor's report)

NOTE 1 - SIGNIFICANT ACCOUNTING POLICIES (Continued)

Net assets without donor restrictions – Net assets that are not subject to donor-imposed restrictions plus those resources for which donor-imposed restrictions have been satisfied and may be expended for any purpose in performing the primary objectives of the organization. Contributions are reported as increases in the appropriate category of net assets.

Expenses are reported as decreases in net assets without donor restrictions. Gains and losses on investments are reported as increases or decreases in the net assets without donor restrictions unless their use is restricted by explicit donor stipulations or law.

These net assets may be used at the discretion of the Organization's management and the board of directors.

Net assets with donor restrictions – Net assets subject to stipulations imposed by donors and grantors. Some donor restrictions are temporary in nature; those restrictions will be met by actions of the organization or by the passage of time. Other donor restrictions are perpetual in nature, whereby the donor has stipulated the funds be maintained in perpetuity.

Donor-restricted contributions are reported as increases in net assets with donor restrictions. When a restriction expires, net assets are released from restrictions and reclassified from net assets with donor restrictions to net assets without donor restrictions in the statements of activities

USE OF ESTIMATES

The preparation of the financial statements in conformity with US GAAP requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

CASH AND CASH EQUIVALENTS

For purposes of the statements of cash flows, cash and cash equivalents consist of demand deposits and short-term highly liquid investments with original maturities less than 90 days. The Organization has no cash equivalents.

INVENTORY

Inventory consists of books held for sale and are stated at the lower of cost or net realizable value.

(See Auditor's report)

NOTE 1 - SIGNIFICANT ACCOUNTING POLICIES (Continued)

JOINT VENTURE

The Organization's 50% investment in Oasis Publishing Africa (Pty) Ltd (OPA) is accounted for by the equity method.

DONATIONS

The Organization accounts for donations in accordance with recommendations of FASB ASC 958-605-25. In accordance with FASB ASC 958-605-25, donations are recorded as donations with or without restrictions, depending on the existence or nature of any donor restrictions. When a restriction expires (that is, when a stipulated time restriction ends or the purpose of the restriction is accomplished), net assets with donor restrictions are reclassified to net assets without donor restrictions.

ACCOUNTS RECEIVABLE

Accounts receivables are stated at unpaid balances, less an allowance for doubtful accounts. The Organization provides for losses on accounts receivable using the allowance method. The allowance is based on experience and other circumstances which may affect the ability of clients to meet their obligations. Receivables are considered impaired if full principal payments are not received in accordance with contractual terms. The policy of the Organization is to charge off uncollectible accounts receivable when management determines the receivable will not be collected. The Organization has special arrangements with certain customers for repayment terms that can be long-term in nature.

PROPERTY EQUIPMENT AND DEPRECIATION

Property and equipment acquired in excess of \$1,000 is recorded at historical cost. Donated Assets are recorded at fair market value on the date of donation. Depreciation is calculated on straight-line and accelerated methods over the assets estimated useful lives ranging from three to seven years. Depreciation expense for the year ended December 31, 2023, was \$3,604.

Expenditures for maintenance and repairs which do not extend the life of the respective assets are expensed currently. Major additions and betterments over \$1,000 are capitalized.

(See Auditor's report)

NOTE 1 - SIGNIFICANT ACCOUNTING POLICIES (Continued)

REVENUE RECOGNTION

All contributions are available for unrestricted use unless specifically restricted by the donor. All donor-restricted support is reported as an increase in net assets with donor restrictions. When a restriction expires (that is, when a stipulated time restriction ends or purpose restriction is accomplished), net assets with donor restrictions are reclassified to net assets without donor restrictions and reported in the statements of activities as net assets released from restrictions. Restricted contributions whose restrictions are met in the same reporting period are shown as increases to net assets without donor restrictions.

Contributions of donated services that create or enhance non-financial assets or that require specialized skills, are provided by individuals possessing those skills, and would typically need to be purchased if not provided by donation, are recorded at their estimated fair values in the period received.

INCOME TAXES

The Organization is exempt from federal and state income tax under the provisions of Section 501(c)(3) of the IRC; therefore, no provision for income taxes has been made in these financial statements. However, any income from certain activities not directly related to the Organization's tax-exempt purpose would be subject to taxation as unrelated business income. As of January 1, 2018, Organization is a public charity.

US GAAP requires the Organization's management to evaluate tax positions taken by the Organization and recognize a tax liability (or asset) if the Organization has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service.

The Organization's management has analyzed the tax positions taken by the Organization and has concluded that as of December 31, 2023, no uncertain tax positions have been taken or are expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Organization could be subject to routine audits by taxing jurisdictions for the periods 2020 to present; however, there are currently no audits for any tax periods in progress.

(See Auditor's report)

NOTE 1 - SIGNIFICANT ACCOUNTING POLICIES (Continued)

These volunteer activities include participation on the Board of Directors and numerous other committees. The value of these services has not been included in the financial statements as they do not meet the criteria for recognition.

IN-KIND DONATIONS

In-kind contributions are reflected as contributions at their fair value as of the date of donation and reported as support without donor restrictions unless explicit donor stipulations specify how donations must be used. These amounts are Reported as both in-kind contribution revenues and expenses on the statements of activities.

OTHER EXPENSES

Other expenses include certain costs that are one-time in nature.

PROGRAM AND SUPPORTING SERVICES

The following program and supporting services are included in the accompanying financial statements:

Program services – includes the direct cost of carrying out the Organization's program activities.

Management and general – includes the functions necessary to ensure an adequate working environment and costs not identifiable with a single program.
