

Nigeria Pastor Sunday

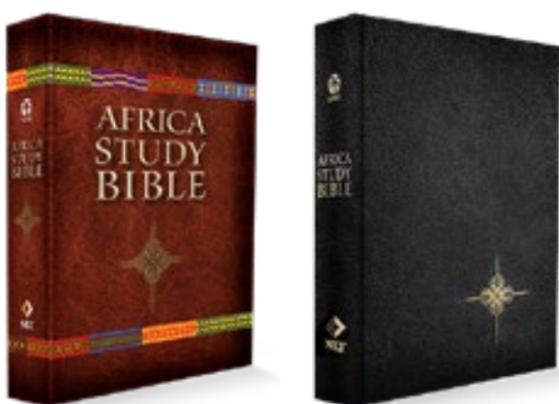

A CAN Initiative to Equip Every Pastor With God's Word

The Need

Nigeria has over 100 million Christians, yet 80-90% of pastors lack access to needed resources.

Many pastors preach faithfully without a reliable study Bible or contextual tools.

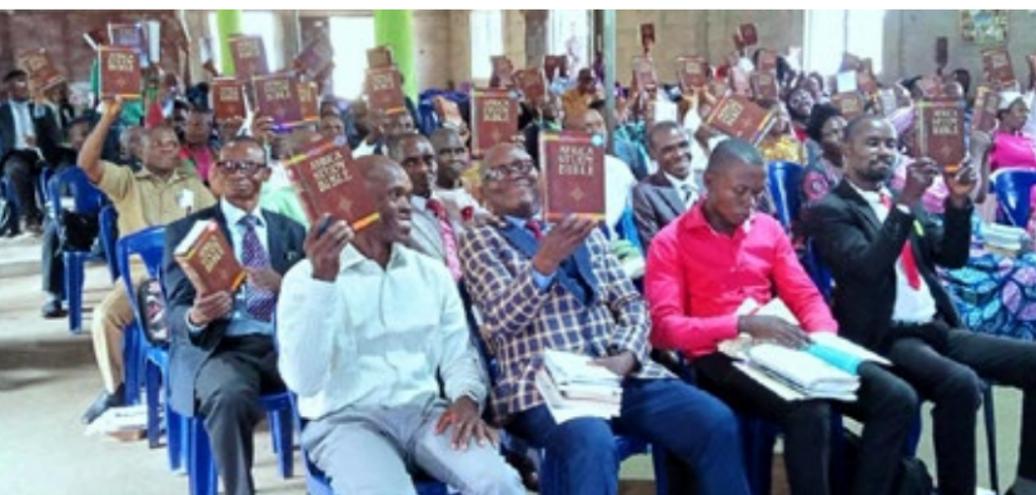

For every Bible you give, an average of 200 people in that pastor's congregation are impacted.

The Vision

The Christian Association of Nigeria (CAN) has launched a bold initiative:

- To equip 500,000 Nigerian pastors with the *Africa Study Bible* and training resources.
- To strengthen the church in every region—from rural villages to crowded cities.
- To ensure pastors lead with truth, depth, and courage.
