

# Nigeria Pastor Sunday

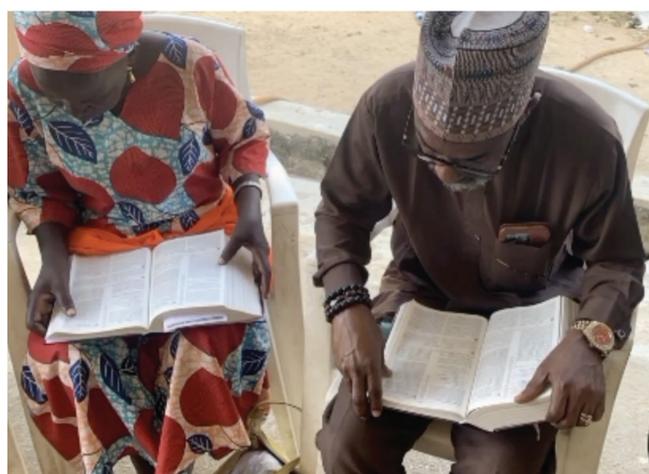

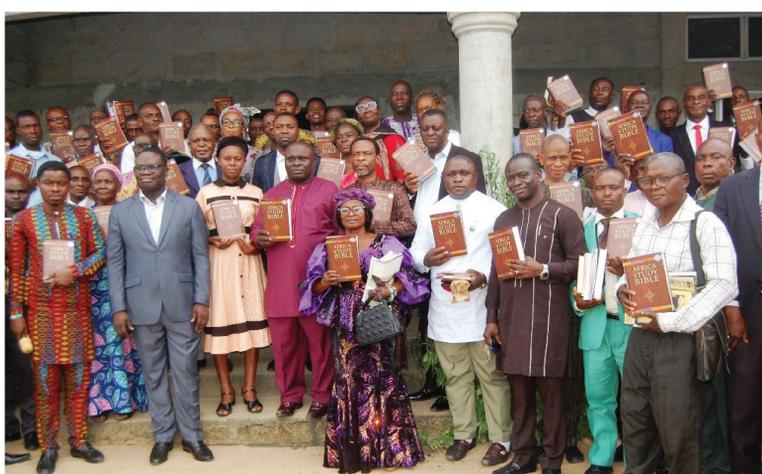

A CAN Initiative to Equip Every Pastor With God's Word

**Stand with the Church in Nigeria.  
Equip Those Who Equip Others.**

Nigeria is home to over 100 million Christians, yet most pastors outside the cities lead faithfully with few resources. Your gift equips them with the *Africa Study Bible*—a tool written by 350 African scholars and pastors to bring God's Word to life in local contexts.

- \$50 equips 1 Nigerian pastor with a Bible and training resources
- Each pastor impacts 200 people—families, youth, and communities transformed by truth.
- Together, we can transform churches and communities
