

# Nigeria Pastor Sunday

A CAN Initiative to Equip Every Pastor With God's Word

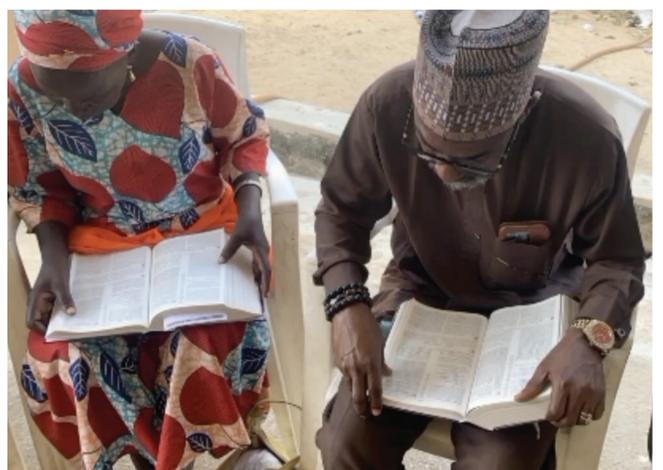

**Equip 500,000 Pastors.  
Strengthen Every Church.**

Across Nigeria, more than 80% of pastors serve in rural communities—often self-funded, with limited access to training and study tools.

Through Nigeria Pastor Sunday, your church can help provide the *Africa Study Bible*, a resource written by Africans for Africans.

- \$50 equips 1 Nigerian pastor with a Bible and training tools
- Each pastor impacts 200 people in their congregation
- Together, we can transform churches and communities
